

MOSER BAER ENERGY AND DEVELOPMENT LIMITED

R.O.: N23B, Block N, DDA Flats, Saket, New Delhi- 110017

15MWp Solar PV Power Project in the state of Gujarat, India

Notice Inviting Tender (EPC basis)

under

International Competitive Bidding

NIT No. RFP-3/201010

Date: 1st October 2010

Moser Baer Energy and Development Limited (MBEDL), a Moser Baer Group company, invites reputed parties from across the globe to submit their Expression of Interest (EoI) for Design, Engineering, Manufacturing, Supply, Erection, Testing & Commissioning on EPC basis under International Competitive Bidding (ICB) process for its proposed 15MWp Solar PV Power Project in the State of Gujarat, Western region of India.

Pre-qualification (PQ) Criteria – (EoI must accompany the supportings):

1. Bidder should have successfully executed at least 1 MWp (Single Site) Solar PV Grid Connected plant on EPC basis.
OR
Bidder should have directly supplied Modules and Inverters for any Solar PV Project in India of atleast 1MWp size, wherein the project has drawn atleast 50% of the Debt funding
OR
Bidder should have been awarded an EPC Contract for any Solar PV Project in India of atleast 1MWp under International Competitive Bidding (ICB) process.
2. Bidder should be able to submit Letter of Comfort or binding contract from the Module supplier(s) for atleast 5MW.

Interested Parties may form a consortium to bid for the project wherein the criteria should be met by any one of the consortium member.

This bidding process will be administered by CRISIL Infrastructure Advisory as a Third Party Administrator (“TPA”).

The “Request for Proposal (RFP) Document” will be issued to those meeting the pre-qualification criteria upon receipt of formal request, up to 15th October 2010.

Short-listed parties shall be provided with RFP Document seeking Techno-commercial proposals.

Note:

- (1) The Project is to be commissioned by 30th June 2011, as per Energy Purchase Agreement executed with Gujarat Urja Vikas Nigam Limited, Gujarat.
- (2) The parties desirous of taking part in the bidding process would be required to submit RFP Document containing Technical and Financial credentials (as per guidelines), latest by 29th October 2010.
- (3) MBEDL reserves the right to award the project as a composite contract for all the separate scopes of works or under multiple contracts for the separate scopes of works.
- (4) MBEDL’s decision shall be final and binding and no claims/representations in this regard shall be entertained.
- (5) The Power Project is being awarded under ICB guidelines and is therefore entitled for benefits of Deemed Exports under Para 8.2(g) of Foreign Trade Policy 2009-2014. The benefits shall be on the account of Project Developer. The bidder shall provide a suitable Disclaimer Certificate in favour of the Project Developer and shall also provide all duty paying documents (both Customs and Excise) and any other documents required as per the Foreign Trade Policy of Govt. of India (Ref:- Handbook of Procedures 2009-2014).
